How to Use + Answers

Three ways to run the countdown, plus the I spy and odd-one-out answers.

Three ways to play

- Classic: hang the poster, do one card each morning, color the ornament at night.
- Advent pockets: fold each card and tuck it into a numbered envelope or sock.
- Car and waiting-room kit: keep the stack in a zip bag with two crayons.

Print tips

- Print the cards on cardstock if you can. Cut on the dashed lines.
- US Letter paper. On A4, choose "Fit to page". Black and white only, printer-friendly.
